English Listening Activities for SMP/MTs is a series of three-level workbook focusing on the mastery of listening skill. Using this book, students are expected to boost their listening skill.

This book is developed based on Kurikulum 2013 Revisi

and intended for junior high school students. Therefore, this book is suitable to be used together with any textbooks aimed for junior high school students whose schools apply Kurikulum 2013 Revisi.

In order to ease students in accessing the audio file, the book is completed with QR codes that link to the audio files. The QR codes can be read with Erlangga Reader

. Also, useful expressions and information are presented in the book to help student in communicating in English.
